Subject: READ CAREFULLY AND REPLY

Hello,

My name is Jason McCain, a Staff Sergeant in the US Army presently serving in Afghanistan as a combat instructor, Some money in various currencies were discovered in barrels at a farm house in Iraq during a rescue operation early 2009 and it was agreed by Staff Sergeant Kenneth Buff and myself that some part of this money be shared between both of us before informing anybody about it since both of us saw the money first, \$8 Million Dollars (Eight Million Dollars) was given to me as my own share, but I tell you what! No compensation can make up for the risk we are taken with our lives.

So I'm seeking your kind assistance to move the sum of US\$8M to you as far as I can be assured that my share will be safe in your care until I complete my service here in (AFGHANISTAN). This is my second letter to you, I had contacted you before through this email, but, yet no reply from you am contacting you again because of the urgent nature of this transaction so that I can start with the arrangement to ensure that you receive the funds in your care as soon as possible. You will be rewarded with 20% of this funds for your help, all that I required is your trust until the money gets to you. If you are willing to help please reply: EMAIL: (jmccain1975@live.com) for further details.

Sincerely,
SSgt. Jason McCain
